“Debt adjustment” means, for or with the expectation of a fee, commission or other valuable consideration, receiving, as agent of a debtor, money or evidences thereof for the purpose of distributing such money or evidences thereof among creditors in full or partial payment of obligations of the debtor; and debtor means any individual who has incurred indebtedness or owes a debt for personal, family, or household purposes.

“Bona fide nonprofit organization” means any organization that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code of 1986, or any subsequent corresponding Internal Revenue Code of the United States, as amended from time to time.

Note: Connecticut has two types of licenses for debt adjusters. - For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
