GENERAL INFORMATION

Transition to NMLS

Companies holding the New York State Department of Financial Services (NY-DFS) Money Transmitter License are able to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons. The NY-DFS Money Transmitter License will be available in NMLS to submit the transition request starting July 1, 2017. The transition to NMLS for this license is *optional*.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in NY, and complete certain state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. When selecting your license in the Company Form (MU1), you will be asked to enter your existing NY-DFS license number. When entering your existing NY-DFS license number in NMLS, enter the numerals only. Do not include "MT."

Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form) must complete these actions within NMLS from July 1, 2017 onward. NY-DFS encourages current licensees to update their information with NY-DFS at least two weeks prior to requesting their license transition through NMLS, so there will be no pending changes to submit at the time of transition.

The license requirements for money transmitters are found primarily in Article 13-B of the New York Banking Law ("BL") and the regulations thereunder. BL Section 641(1) provides:

No person shall engage in the business of selling or issuing checks, or engage in the business of receiving money for transmission or transmitting the same, without a license therefor obtained from the superintendent as provided in this article, nor shall any person engage in such business as an agent, except as an agent of a licensee or as agent of a payee; provided, however, that nothing in this article shall apply to a bank, trust company, private banker, foreign banking corporation licensed pursuant to article two of this chapter or foreign banking company authorized to operate pursuant to the

International Banking Act of 1978 (12 USC 3101 et seq.), as amended, savings bank, savings and loan association, an investment company, a national banking association, federal reserve bank, corporation organized under the provisions of section twenty-five-a of an act of congress entitled the "Federal Reserve Act", federal savings bank, federal savings and loan association or state or federal credit union.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
