Fee Schedule for the National Test Administration and Education Services

Summary
In July 2008, The Housing and Economic Recovery Act (Public Law 110-289) was enacted. Title V of the Law, “Secure and Fair Enforcement for Mortgage Licensing Act of 2018” or SAFE Mortgage Licensing Act of 2008, established requirements for the licensing of Mortgage Loan Originators (MLOs). The SAFE Act requires MLOs to pass a qualified written test, to complete pre-licensure education courses, and to take annual continuing education courses. It requires NMLS to approve pre-licensure and continuing education courses. The Act permits NMLS to charge reasonable fees in carrying out its requirements.

NMLS has set forth the following fees for Test Administration and Education Services. These fees are subject to change.
