

## RENEWAL ATTESTATION FOR COMPANY

Each individual mortgage loan originator (MLO) is required to renew their licenses/registrations through NMLS between November 1<sup>st</sup> and December 31<sup>st</sup> of each year. You can complete the renewal process through NMLS yourself or your company can complete the process on your behalf after you have completed your renewal attestation. Individuals should check with their sponsoring company to determine who will facilitate the renewal process. The steps below will walk you through taking the necessary actions to allow your company to request renewal on your behalf.

The following steps should only be completed if your company will be submitting and paying for your renewal request(s). If you intend to submit your own renewal request and payment, please follow the [Attest and Pay](#) workflow.

**Review your current record and state-specific renewal requirements**

- [Review your record](#) to ensure that all your information is accurate and up to date. If you need to make any updates, you must do so through the Filing tab before you submit your renewal request. Once updates are submitted, proceed with submitting your Renewal request.
- Review the [uniform renewal checklist](#) to determine if the state(s) in which you are renewing your license(s)/registration(s) have any additional requirements that must be met outside of NMLS.

Attest for Company - CBC and/or Credit Report Authorization

HELP

**Authorize CBC and/or Credit Report**

One or more of the licenses/registrations you selected to renew requires that you provide a criminal background check and/or credit report authorization to the regulator. Authorization will be automatically processed once you complete the renewal request. Any applicable payments will be required at the time of submission. If you have satisfied the requirement for a CBC and/or Credit Report authorization within the last 30 days or on a previous renewal request, the system will NOT generate a new request and payment will not be required.

I authorize a criminal background check during the submission of my renewal request if I am required to complete a background check for renewal of the license(s)/registration(s) selected.

**NOTE:** If your fingerprints have expired prior to your CBC authorization for your renewal request, you will need to request a new CBC and fingerprints through your Individual (MU4) Filing. See the [How to Submit a CBC Request](#) for instructions on how to authorize a new CBC and request new fingerprints. After your new fingerprints and CBC results have been received by NMLS, you may proceed with your renewal request. The results of your CBC can be used to process renewal requests for 90 days.
