GENERAL INFORMATION

Note from AZ-DFI: We ask that you provide the necessary information needed to make our decision within 10 days of the date we notify you of any deficiencies. This is to ensure the application can be processed and to avoid any undue delay. Untimely submissions may result in your application being considered withdrawn. If the application is withdrawn, the applicant will have the ability to reapply and the application fee will be waived.

Transition to NMLS
Companies holding the Arizona Department of Financial Institutions (AZ-DFI) Debt Management License are able to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons. AZ-DFI Debt Management License will be available in NMLS to submit the transition request starting May 1st, 2017. The transition to NMLS for this license is optional.

Additionally, for each branch (company owned location) holding a AZ-DFI Debt Management Branch License, a company must complete and submit a Branch Form (MU3) through NMLS.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in AZ-DFI, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. The transition number is your 7 digit AZ-DFI license number. This is found on the top of your AZ-DFI license after the letters “DM -”.

AZ-DFI encourages current licensees, that wish to transition their license to NMLS, to update their information with AZ-DFI by May 1st, 2017, so there will be no pending changes to submit at the time of transition.

Arizona Revised Statutes Title 32, Chapter 9 – Debt Management
Notice to Applicant Pursuant to A.R.S. § 41-1030

An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a license requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition. This section may be enforced in a private civil action and relief may be awarded against the State. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section. A State employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissed pursuant to the Agency’s adopted personnel policy. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.

Activities Authorized Under This License

This license authorizes the following activities...

- Debt management/credit counseling
- Debt negotiation

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
