Who is required to have this license?

"Escrow" means any transaction in which any escrow property is delivered with or without transfer of legal or equitable title, or both, and irrespective of whether a debtor-creditor relationship is created, to a person not otherwise having any right, title or interest therein in connection with the sale, transfer, encumbrance or lease of real or personal property, to be delivered or redelivered by that person upon the contingent happening or non-happening of a specified event or performance or nonperformance of a prescribed act, when it is then to be delivered by such person to a grantee, grantor, promisee, promisor, obligee, obligor, bailee or bailor, or any designated agent or employee of any of them. Escrow includes subdivision trusts and account servicing. Please review A.R.S. § 6-801.

Real Property Escrow Agents Must File Escrow Rates: See A.R.S. Section 6-846 et al.
No foreign corporation without a valid grant of authority to do business under Title 10, Chapter 15, Article 1 shall transact any escrow business in this state.

Notice to Applicant Pursuant to A.R.S. § 41-1030

An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a license requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.

This section may be enforced in a private civil action and relief may be awarded against the State. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section.

A State employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissed pursuant to the Agency’s adopted personnel policy.

This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
