Transition to NMLS
Companies holding the Arizona Department of Financial Institutions (AZ-DFI) Sales Finance Branch License are able to submit a license transition request through NMLS by filing a Branch Form (MU3) and an Individual Form (MU2) for each of their branch managers. The AZ-DFI Sales Finance Branch License will be available in NMLS to submit the transition request starting July 1st, 2017. The transition to NMLS for this license is optional.

Before the Branch Form (MU3) can be submitted, companies must complete and submit the Company Form (MU1) through for the AZ Sales Finance License main location.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in Arizona, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Branch Form (MU3), so they are not charged a new application fee. The transition number is your 7 digit AZ-DFI license number. This is found on the top of your AZ-DFI license after the letters “SF”.

AZ-DFI encourages current licensees that wish to transition their license to NMLS, to update their information with AZ-DFI by July 1st, 2017, so there will be no pending changes to submit at the time of transition.
