GENERAL INFORMATION

Who is required to have this license?
A location other than the main office at which a Mortgage Broker Licensee or any person on behalf a Mortgage Broker Licensee acts as a Mortgage Broker.

Note: The Company Form (MU1) must be requested prior to the submission of a Branch Form (MU3).

Pre-Requisites for License Applications

- **Bond coverage:** An original surety bond rider must be submitted indicating that the branch location is covered by the company surety bond.
- **Experience:** A person with at least three years of experience in the mortgage business within the five years immediately preceding the appreciation. A resume or work experience form must be uploaded to NMLS.
- **Total License Cost:** $520 including the NMLS processing fee.

The Connecticut Department of Banking does not issue paper licenses for this license type.

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.

Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.

If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).

For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
