**GENERAL INFORMATION**

Who is required to have this license?
A location other than the main office at which a bona-fide non-profit organization licensee or any person on behalf of such licensee acts as a debt adjuster.

**Note:** The Company Form (MU1) must be requested prior to the submission of a Branch Form (MU3).

**Note:** Connecticut has two types of licenses for debt adjusters. This checklist applies to persons who are engaged in the business of debt adjustment as a “bona fide nonprofit organization”. If the company is not a “bona fide nonprofit organization”, please see the Connecticut Debt Adjuster For-Profit Checklist.

**Pre-Requisites for License Applications**

- **Bond Amount:** Submit a rider for the surety bond presently on file for the Main Office that adds the name (including any other trade names) and address of the branch office to be licensed
- **Total License Cost:** $270 including NMLS processing fee

Connecticut Department of Banking does not issue paper licenses for this license type.
Document Uploads

Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
