GENERAL INFORMATION

Who Is Required to Have This License?

Pursuant to the Official Code of Georgia Annotated (O.C.G.A.) §§ 7-1-700(18) and 7-1-701, any person, individual, sole proprietorship, corporation, limited liability company, partnership, trust or other group, however organized, engaged in cashing payment instruments for a fee is required to obtain a Georgia Check Casher License.

“Cashing payment instruments” means to accept a payment instrument from a person in exchange for monetary value less a fee. O.C.G.A. § 7-1-700(1)

“Payment instrument” is defined as any instrument, order or device for the payment or transmission of money or monetary value, whether or not it is a negotiable instrument. O.C.G.A. § 7-1-700(17)

Laws governing the check cashing industry are primarily found in Article 4A of the Financial Institutions Code of Georgia, O.C.G.A. § 7-1-700 et seq. Access to the entire Georgia Code is provided by LexisNexis from the Georgia General Assembly's website. Go to the O.C.G.A.

Rules governing the check cashing industry are primarily located in Chapter 80-3-1. Information regarding application, investigation, supervision, examination, and other fees can be found in Chapter 80-5-1.

What do I need to know before I apply?

Formation Documents/Authority to Conduct Business in Georgia: For organizations being formed as domestic (Georgia) corporations, LLCs, LLPs, etc., the type of organizing document will vary (e.g., Certificate of Incorporation/Certificate of Organization/Certificate of Partnership). See the Georgia Secretary of State’s resources for further details. Out-of-state applicants should obtain a Certificate of Authority from the Georgia Secretary of State showing that the foreign entity is registered to do business in the state of Georgia.

Other Trade Names/DBA: Applicants should not include “dba” in front of their Other Trade Name. The name input in NMLS should be exactly as it will be used in advertising, documents, etc. Applicants should indicate if the Other Trade Name is forced by a state by checking the box in the forced column. A forced Other Trade Name is one that is required to be used because the state’s Secretary of State or other agency will not allow the company to use its legal name. This may be due to a number of reasons, including the company's legal name is already used by another company in that state.

Other Trade Names must not include the words “corporation, incorporated, etc.” or any variation/abbreviation that would give the impression the entity is incorporated. NOTE: The only exception to this will be in the case where the Trade Name is a “forced” name for Georgia in instances where the name is not available.

The Georgia Secretary of State does not register trade names. Pursuant to O.C.G.A. § 10-1-490, trade names are registered with the clerk of superior court of the county in which the business is chiefly carried on or, in the case of a domestic corporation using a trade name, in the county of its legal domicile. A trade name is also known as a “DBA” or
“fictitious name.” You can search for the appropriate clerk’s office by using the Georgia Superior Court Clerks’ Cooperative Authority’s website at https://www.gsccca.org/clerks. Refer to our Guidance on Trade Names for more information.

Verification of Lawful Presence: Pursuant to O.C.G.A. § 50-36-1, the Department is required to verify the lawful presence of every person submitting a new application. This is done by the submission of a Verification of Lawful Presence Affidavit completed by any one of the individuals listed as an owner or officer on the company’s MU1. Legal permanent residents, qualified aliens, and non-immigrants are required to re-verify their lawful presence annually at renewal once licensed. Please note that if the individual applicant is not a United States citizen, this Department may be required by O.C.G.A. §50-36-1 to verify their immigration status through the Federal Systematic Alien Verification of Entitlement (SAVE) program.

Control Persons: Control means the direct or indirect possession of power to direct or cause the direction of the management and policies of a person. The following persons must be separately identified and included in the Direct Owners/Executive Officers and Indirect Owners sections of the NMLS Company Form MU1:

(1) Ultimate equitable owner:
   a. Owns, directly or indirectly, a 10 percent or more interest in a corporation or any other form of business organization;
   b. Owns, directly or indirectly, 10 percent or more of the voting shares of any corporation or any other form of business organization; or
   c. Exerts control, directly or indirectly, over a corporation or any other form of business organization, regardless of whether such person owns or controls such interest through one or more natural persons or one or more proxies, powers of attorney, nominees, corporations, associations, limited liability companies, partnerships, trusts, joint stock companies, other entities or devices, or any combination thereof.

(2) Executive officer: The chief executive officer, president, chief financial officer, chief operating officer, each vice president with responsibility involving policy-making functions for a significant aspect of a person's business, secretary, treasurer, or any other person performing similar managerial or supervisory functions with respect to any organization, whether incorporated or unincorporated.

(3) Officers, directors, or other persons who direct the affairs of or control or establish policy for the applicant.

Each MU2/Control Person is required to authorize a FBI criminal background check (CBC) through NMLS. A criminal background increases the difficulty of making a favorable finding on an application. The Department shall not issue a license if the applicant or any of its MU2/Control Persons has been convicted of a felony and did not obtain a pardon or other remedy pursuant to O.C.G.A. Section 7-1-684.

Child Support: Failure to comply with an order for child support (O.C.G.A. Section 7-1-693(b)) is sufficient grounds for refusal of a license.

Secure E-mail Communications from the Department: The Department utilizes a secure electronic mail system to protect the integrity and confidentiality of confidential e-mail communication you receive from us. Be sure to read the following resource on our website to ensure that you do not miss important communications concerning clarification or additional information needed regarding control persons associated with the application. https://dbf.georgia.gov/sites/dbf.georgia.gov/files/related_files/document/Ironport_CiscoDBFSecureEmailInstructions.pdf

In the case of applications for reinstatement of a previously revoked, withdrawn or denied license, all outstanding issues such as fines, fees, or documentary filings must be resolved before a favorable decision can be made on the application.

Activities Authorized Under This License
This license authorizes the following activities as principal. See the Business Activities Definitions for a full list and description of the activity.

Pre-Requisites for License Applications

Updated: 07/01/2019
For an application to be considered complete, all requirements in the checklist that follows must be met PRIOR to submission of the application. Incomplete applications may be administratively withdrawn by the Department within 5 business days of submission if the application is incomplete. If the application is administratively withdrawn, a new license request will have to be submitted through the NMLS. Application fees are non-refundable.

If an application for licensure is approved, the applicant will receive an e-mail from the Department (noreply@dbf.state.ga.us) with instructions on retrieving their license certificate. Please note that the Department’s system is not connected to the NMLS, so there is at least a one business day delay in the approval e-mail from our system. Please check your spam folder if you do not receive the Department's approval e-mail within one or two business days. Please note that until you receive the e-mail from us, your new license certificate will not be available.

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Verification of Lawful Presence, Background Authorization Form), be sure to indicate the applicable state.
