GENERAL INFORMATION

Who is required to have this license?
Pursuant to Section 449-20, Hawaii Revised Statutes, no escrow depository may establish a branch office without first obtaining prior written approval from the commissioner. The application shall set forth the reasons for the branch office and other information that may be required by the Commissioner of Financial Institutions.

This license should only be applied for by a company that also holds or is applying for an Escrow Depository License.

Activities Authorized Under This License
This license authorizes the following activities...
- Escrowing agents

Pre-Requisites for License Applications
- None.

Hawaii Division of Financial Institutions (HI-DFI) issues paper licenses for this license type.

Document Uploads
Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:
- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
• If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
• For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
