GENERAL INFORMATION

Who Is Required To Have This License?
Any person responsible for collecting, receiving, and processing any scheduled periodic payments from a borrower pursuant to the terms of any residential mortgage loan, including amounts for escrow accounts under the Real Estate Settlement Procedures Act, and for making the payments to the owner of the loan or other third parties of principal and interest and such other payments with respect to the amounts received from the borrower as may be required pursuant to the terms of the mortgage servicing loan documents or servicing contract. In the case of a home equity conversion mortgage or reverse mortgage as referenced in Chapter 454M, Hawaii Revised Statutes ("HRS"), servicing includes making payments to the borrower.

Note: Master servicers and sub-servicers of a Hawaii residential mortgage loan, as defined in Section 454M-1, HRS, must be licensed as mortgage servicers unless otherwise exempt from licensure pursuant to Section 454M-3, HRS.

Note: Mortgage servicers licensed under Chapter 454M, HRS, whose business constituted at least a 20% share of the total mortgage loan servicing market in Hawaii in the previous calendar year, must maintain an office in Hawaii for the purposes of addressing consumer inquiries or complaints and accepting service of process. If you believe you need to complete a new application for an additional location in Hawaii at which mortgage servicing activities are conducted, please call Hawaii DFI to discuss.

Note: Companies who employ individuals that conduct mortgage loan origination activity related to loan modifications are required to obtain a Mortgage Servicer license. However, the employees of the mortgage servicer conducting loan modification activity are not required to be licensed as a Mortgage Loan Originator (individually).

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

• Follow the guidance in Document Upload Descriptions and Examples.
• Only upload documents relevant to the company application.
• Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
• Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
• If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
• For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
