GENERAL INFORMATION

Who Is Required to Have This License?
This registration is required of any mortgage banker or mortgage lender that would otherwise be required to obtain a mortgage banker license, but that is specifically exempt because it is located in Iowa and its principal business in Iowa is with entities located in Iowa that are specifically exempt under §535B.2 from obtaining a mortgage banker license.

Who Does Not Need This Registration?
- Mortgage Banker or Mortgage Broker licensees
- A bank, bank holding company, savings bank, savings and loan association, or credit union organized under the laws of Iowa, another state, or the United States, or a subsidiary owned or controlled by such a bank, bank holding company, savings bank, savings and loan associations, or credit union.
- A loan company licensed under chapter 536 or 536A, except when acting as a closing agent.
- An insurance company or a subsidiary or affiliate of an insurance company organized under the laws of this state, another state, or the United States, and subject to regulation by the commissioner of insurance.
- A nonprofit organization qualifying for tax-exempt status under the Internal Revenue Code as defined in section 422.3 which offers housing services to low and moderate income families (must still register pursuant to §535B.3).
- An individual who is employed by or is under an exclusive contract with a company (including a sole proprietorship) that is exempt from this license to the extent that individual is acting within the scope of the exempt entity’s charter, license, authority, approval, or certificate.

Pre-Requisites for License Applications
- None.

Iowa Division of Banking issues a paper license for this license type.
Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
