</tr>
</tbody>
</table>
Note: Each Mortgage Loan Originator must be separately licensed in Idaho and requires the submission of an Individual Application request. If an applicant is not a US citizen, then the full Identifying Information section of the application form must be completed and documentation of proof of ability to work in the U.S. is required.

Criminal Background Check: Authorization for an FBI criminal history background check to be completed in NMLS.

After you authorize the FBI criminal history background check through the Individual Form (MU4), you must schedule an appointment to be fingerprinted.

See the Completing the Criminal Background Check Process Quick Guide for information.

Note: If you are able to ‘Use Existing Prints’ to process the FBI criminal history background check, you DO NOT have to schedule an appointment. NMLS will submit the fingerprints already on file and the background check will begin to process automatically.

Note: If you have any felony convictions, or any misdemeanor convictions involving any aspect of financial services OR any other misdemeanor listed in the disclosure section of the MU4, you are required to submit this information outside NMLS.

Credit Report: Authorization for a credit report must be completed. Upon initial authorization, you are required to complete an Identity Verification Process (IDV) within the Individual Form (MU4). See the Individual (MU4) Credit Report Quick Guide for instructions on completing the IDV.

Note: The same credit report can be used for any existing or additional licenses for up to 30 days.

Disclosure Questions: Provide an explanation and, as applicable, a supporting document for each “Yes” response. See the Individual Disclosure Explanations Quick Guide and the Disclosure Explanations - Document Upload Quick Guide for instructions. If there was an event that occurred that required a “Yes” response it will be expected that any and all supporting documents will be uploaded.

Company Sponsorship: A sponsorship request must be submitted by your employer. ID will review and accept or reject the sponsorship request.

ID offers an “Approved-Inactive” license status. If you are not currently employed by a mortgage company (or your employer has not yet requested sponsorship on your behalf) and you have completed all requirements for this license, the license may be issued as “Approved-Inactive” until sponsorship by a mortgage company is acquired. While in an “Approved-Inactive” status, you are NOT authorized to conduct business under the authority of the ID Mortgage Loan Originator License.

- A Mortgage Loan Originator cannot be sponsored by, or provide
mortgage loan origination or loan modification services for more than one Idaho Mortgage Broker/Lender licensed under the Idaho Residential Mortgage Practices Act simultaneously.

- A Mortgage Loan Originator employed by or under contract with an Idaho Regulated Lender licensed under the Idaho Credit Code shall be sponsored by the employing Regulated Lender.

- An Independent Contractor Mortgage Loan Processor or Mortgage Loan Underwriter not engaged in mortgage loan origination or mortgage loan modification (origination) activities shall be sponsored by an Exempt Entity Registrant.

- Any Independent Contractor Mortgage Loan Processor or Underwriter sponsored by an Exempt Entity Registrant, that becomes employed by or under contract to a licensed Idaho Mortgage Broker/Lender to provide mortgage loan origination services must first be sponsored by that Mortgage Broker/Lender licensee.

- During any period that an “Approved” Mortgage Loan Originator license becomes unsponsored; the license will be maintained in an “Approved-Inactive” status until a new valid sponsorship is filed and approved. Licenses in an “Approved-Inactive” status are not eligible to conduct mortgage loan origination, mortgage loan modification, contract processing or contract underwriting activities.

### Employment History:

The business address listed in the Employment History section of the Individual Form (MU4) must match the address of the registered location in the Company Relationship.

The current physical work location listed in the employment history section must be within a reasonable commuting distance from the applicant’s residence address. If not, [click here](#) for further instructions.
