This document includes instructions for a branch transition request. If you need to complete a transition for a company headquarters refer to the appropriate company transition checklist.

Note: The company form (corporate location) must request a transition prior to the submission of a branch form.

Total License costs: $107.95 including the NMLS processing fee. Fees collected through the NMLS ARE NOT REFUNDABLE.

License transitions not completed prior to May 1 in any given year risk license expiration on May 31 in the “paper” world and the requirement to renew outside NMLS prior to May 31 in order to avoid an interruption to business activities. License authority to December 31 is not granted until the transition is fully approved.

Use the checklist below to complete the requirements for Idaho Department of Finance.

The checklist provides instructions and requirements for information to be entered in NMLS, the documents that must be uploaded into NMLS, as well as the documents that must be sent outside NMLS.

For help with the NMLS application, see the Quick Guide for submitting a complete Branch Form through NMLS

For help with document uploads, see the Document Upload Descriptions and Quick Guide for document upload in NMLS

Agency specific requirements marked attached on the checklist below must be received with this checklist within 5 business days of the electronic submission of your application through the NMLS at the following:
