GENERAL INFORMATION

Who Is Required To Have This Registration?
See the Consumer Installment Loan Act for more information. Click here for information on rules and regulations related to the Consumer Installment Loan Act.

Companies whose main office location will NOT be engaging in Illinois consumer installment loan activity should submit an IL Consumer Installment Loan Registration New Application and review the requirements below. If more than one location is being licensed, the remaining locations should be designated as a “Branch,” see the Consumer Installment Loan Branch License New Application Checklist for more information.

If the main office location will be engaging in Illinois consumer installment loan activity, the company should instead submit an IL Consumer Installment Loan License New Application.

Note: NMLS requires the submission of the Company Form (MU1) before the Branch Form (MU3) can be submitted.

Pre-Requisites for Registration Applications
- None.

Illinois Department of Financial & Professional Regulation does not issue paper licenses for this Registration type.

Document Uploads
Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
• Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
• If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
• For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
