GENERAL INFORMATION

Transition to NMLS
Companies holding the Payday Reform License or a license under the Payday Loan Reform Act are able to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons starting Friday July 1, 2016. The transition to NMLS for this license is optional.

Additionally, for each branch holding a license under the Payday Loan Reform Act, a company must complete and submit a Branch Form (MU3) through NMLS to transition the license.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in Illinois, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. Be sure to enter your existing Illinois PLRA license number as your exiting license number when submitting the Company Form (MU1).

After transitioning your license, if you choose to do so, any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form must complete these actions within NMLS. Illinois Department of Financial & Professional Regulation encourages current licensees to update their information with IDFPR at least two weeks before requesting their license transition in NMLS, so there will be no pending changes to submit at the time of transition.

See the Payday Loan Reform Act for more information. Click here for information on rules and regulations related to the Payday Loan Reform Act.
**Document Uploads Guidance**

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in *Document Upload Descriptions and Examples*.
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
