

## Company New Application Checklist

### Agency Requirements

## LOUISIANA PAWNBROKER LICENSE MAIN OFFICE IN-STATE

**IMPORTANT NOTE:** When submitting a company application through the NMLS, it is very important that companies first choose the correct license type. See a description of this license type below.

- **In-State Main Office with Pawnbroker Activity:** A company or sole proprietorship whose main office is located in Louisiana and that conducts pawnbroker activities only from that location is not required to submit an additional branch application for that main office location.

The initial fee for a Louisiana Pawnbroker application is \$750, payable through the NMLS at time of submission of the company application. \$36.26 will be added per FBI Criminal Background Check authorization. All fees collected through the NMLS ARE NOT REFUNDABLE.

Each executive officer, control person, managing member, general partner, manager and 10% or greater direct owner must submit information on the NMLS and be disclosed on the company's application under *Direct Owners and Officers*. Each individual who has a 25% or greater interest as an indirect owner must submit information on the NMLS and be disclosed on the company's application under *Indirect Owners*.

Each branch location, other than the main office, wherever located, from which the licensee will engage in pawnbroker activity or otherwise desiring to conduct business under this license authority must be separately authorized and will require a filing of a branch application through the NMLS. Refer to the Branch registration section for specific requirements.

For help with the NMLS application, see the [Quick Guide for submitting a complete Company Form](#) filing through the NMLS.

The registered agent entered on the company application must be the same person recorded with the Louisiana Secretary of State.

The regulator will review the company's filing and all required documents. All communication with you will be via e-mail or other notifications through the NMLS.

**NOTE: It is extremely important that all e-mail addresses are current. Notifications of status changes and requests for information will be sent to you through the NMLS. You are responsible for checking the status of your company on the NMLS and reading all e-mails generated by the NMLS and/or OFI.**

Agency specific requirements marked "Filed in NMLS" must be completed and/or uploaded in NMLS; this information will not be viewable to the agency until the application has been submitted through NMLS.
