GENERAL INFORMATION

Who is required to have this license?

LSA-R.S. 6:1003 states, “Beginning January 1, 2000, a person engaging in currency exchange shall obtain a license from the commissioner. A person may engage in such business at more than one location with one license. The commissioner shall issue a certificate for each currency exchange location in addition to the license.”

The “Louisiana Check-Cashing Law” provides for the licensing and regulation of businesses engaged in currency exchange as defined in the Law. Pursuant to LSA-R.S. 6:1002(1), “Check-casher” means an individual, partnership, unincorporated association, or corporation that for compensation engages in whole or in part in the business of cashing checks, drafts, money orders, or any other commercial paper serving the same purpose. "Check-casher" does not mean:

1) An entity that charges no fee to the presenter or payor for the cashing of a check, draft, money order, or traveler’s check, or
2) An entity that cashes a check, draft, money order, traveler’s check, or other commercial paper if the fee charged does not exceed $2.00 and the currency exchange is incidental to the entity’s primary business.

This license should only be applied for by a branch of a company that also holds or is applying for Louisiana Office of Financial Institutions (LA) Check Casher License.

Document Uploads

Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents, be sure to indicate the applicable state.
