**NAME CHANGE REQUIREMENTS:**

**SECRETARY OF STATE DOCUMENTATION.** Provide all relevant name change documentation from the Secretary of State(s) office(s) to verify the licensee’s legal name has been properly amended with its home state and with the Secretary of the Commonwealth. Based on review of the notification, additional documents may be required.

**OTHER TRADE NAME CHANGE REQUIREMENTS:**

- Amend trade or fictitious name in the “Other Business Names” section of the Company Form.

**Additional Other Trade Names:** All DBAs the licensee intends to utilize in Massachusetts should be listed under the Other Trade Name section of the Company (MU1) Form. It is the applicant’s responsibility to ensure that all names are properly registered with the required municipality or government agency.

If the licensee will be operating under its legal name and just one trade name or DBA designation, listing that trade name in the section mentioned above is sufficient. However, if the licensee will be operating under more than one trade name or DBA designation, separate “Other Trade Name” licenses are required for those names.

To apply to use a second trade name or DBA designation, select a Check Casher – Other Trade Name #1” license type. To apply to use additional trade names or DBA designations, select additional “Check Casher – Other Trade Name [#]” license types. A licensee may apply for up to 8 “Other Trade Name” licenses per business license. The fees associated with each Other Trade Name license are equal to the Check Casher license fees, and all fees collected through NMLS are non-refundable.
NOTE

The following parameters regarding trade names and/or use of multiple trade names have been established: 1) The trade name may not be a separate legal entity from the applicant; and 2) Registrants must consistently use one single trade name when dealing with a consumer over the life of the loan agreement, installment contract, credit application, debt obligation, remittance transaction, cashing or sale of a check, money order, etc.
