GENERAL INFORMATION

Who may request this Registration?
A company exempt from licensure under M.G.L. chapter 255E, section 2 may voluntarily register with the Massachusetts Division of Banks through the NMLS. This exempt mortgage company registration is provided for companies who are not required to be licensed under Massachusetts law, but that employ individuals required to be licensed under Massachusetts law.

This registration is OPTIONAL for such companies; however, individuals working as loan processors and loan underwriters, not employed by the loan originating entity, must be Massachusetts licensed mortgage loan originators and sponsored by the entity of employment.

Companies registering through NMLS with the Massachusetts Division of Banks must agree to abide by NMLS requirements, including attesting to the accuracy of the information submitted, agreeing to keep it updated through NMLS, and annually renewing the registration through the NMLS Streamlined Renewal Process. Such Companies register by submitting a completed Company Form (MU1).

Pre-Requisites for License Applications
- None

Massachusetts Division of Banks does not issue paper registrations.

Document Uploads Guidance
Updated: 3/23/2020
Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
