GENERAL INFORMATION

Who Is Required to Have This License?
A license through NMLS is required of any company, branch, or individual (i.e., sole proprietorship) that engages in the making or servicing of residential mortgage loans to Maine consumers. “Supervised lender” has the same meaning as set forth in 9-A M.R.S. §1-301(39), but for purposes of the NMLS process, “supervised lender” does not include banks or credit unions. In addition, those who lend money to consumers in cases in which the loans do not qualify as “residential mortgage loans” (e.g., personal loan companies; certain insurance premium finance companies; loans secured by motor vehicles) still must obtain a supervised lender license directly from the Bureau of Consumer Credit Protection.

Activities Authorized Under This License
This license authorizes the following activities...
- First Mortgage Brokering
- Second Mortgage Brokering
- First Mortgage Lending
- Second Mortgage Lending
- Residential mortgage servicing*
- Short sale
- Home equity lending/lines of credit
- Reverse mortgage brokering
- Reverse mortgage lending
- High cost home loans
- Lead generation (if solely lead generation, then loan broker license may be more appropriate)
- Mortgage loan modifications

*If the company is servicing loans, the company should review Maine law regarding debt collection. The company may need to obtain a debt collection license for the servicing or collection of residential accounts. More information about debt collection licensing can be found online at www.credit.maine.gov or by calling the Maine Bureau of Consumer Credit Protection at 207-624-8527.

Pre-Requisites for License Applications
- None.
Maine Bureau of Consumer Credit Protection (ME) does not issue paper licenses for this license type.

Document Uploads Guidance
Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
