Refer to Minnesota Statutes §§ 332A.02 – 332A.19.

Activities Authorized Under This License
This license authorizes the following activities as defined by NMLS on the Business Activities Definitions chart:

- Debt management/credit counseling

Note: This license also authorizes the following activities:

- Managing the financial affairs of a debtor by distributing periodic payments to the debtor’s creditors;
- Receiving funds for the purpose of distributing the funds among creditors in payment or partial payment of obligations of a debtor; or
- Adjusting, prorating, pooling, or liquidating the indebtedness of a debtor.

Pre-Requisites for License Applications

- None.

Minnesota will issue paper licenses for this license type. In addition, licenses can be verified through NMLS Consumer Access.
Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
