

Branch Amendments Agency-Specific Requirements

MISSOURI OUT OF STATE BRANCH REGISTRATION

Instructions

The changes during a licensing period listed below require the licensee to obtain approval from the Missouri Division of Finance. Each change requires the licensee to submit agency specific documentation together with amending their MU3 record. Advance change notice (ACN) submitted through NMLS and agency specific documentation to be filed with the Division of Finance must be received prior to the change's effective date. Fees for change of name or address are paid through NMLS. If a change only affects a company license or registration please refer to the amendment instructions for either company license and/or company registration.

Change of Other Trade Name: \$50 fee. ACN filing and agency specific documents must be submitted at least 10 days before the proposed change becomes effective. Includes legal name and other trade names. This fee is paid when the Company (MU1) Form is submitted with the addition of the new Other Trade Name.

Change of Address: No fee or agency specific documents are required to request a change of address for this license type. As indicated below, please notify the Division directly that the MU3 amendment has been filed.

How to submit Agency specific documents

Please refer to the [document upload quick guide](#) if you are unsure of how to upload documents through NMLS. Please be aware that any documents uploaded as part of an ACN are considered proposed and final documents must be uploaded as of the effective date.

If you provide document(s) outside of NMLS please remit according to the following:
