## GENERAL INFORMATION

### Who is required to have this license?

Any Collection Agency Branch Office that is attempting to collect debt in North Dakota.

This registration should only be applied for by a company that also holds or is applying for a North Dakota Collection Agency License.

NDCC 13-05-02.1 – The Commissioner may grant approval for each branch office which must be submitted by an application. When used in this chapter, “branch office” means a physical location where collection activity is carried out, other than the location where the collection agency license was granted, but does not include a virtual office. As used in this chapter, “virtual office” means a remote location from which employees can work under the full control and monitoring of the collection agency through telecommunications and computer links. Records may not be maintained at a virtual office and a virtual office may not be held open to the public as a place of business.

### Activities Authorized Under This License

This license authorizes the following activities...

- Third-party debt collection
- Active debt buying
- Judgment Recovery
- Other – debt

### Pre-Requisites for License Applications

The ND Dept. of Financial Institutions does not issue paper licenses for this license type.

## Document Uploads

Documents that must be uploaded to the *Document Uploads* section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
