This document includes instructions for a company (corporation location) new license application request.

Please verify that you have selected the appropriate license or registration as any fees collected through NMLS are not refundable:

- If your corporate location conducts Nebraska business you must submit an application for an **Installment Sales License** at the company level. If you have additional locations that also conduct Nebraska business you must submit an application for a branch license for each of those locations.

- If your corporate location does not conduct Nebraska business, but instead you only have other locations that actually conduct Nebraska business, you must submit an application for an **Installment Sales Registration** at the company level and submit an application for a branch license for each location conducting Nebraska business.

Total License costs: No Initial Fee at Company Level. $100 NMLS annual processing fee is charged for approved licenses at the time of renewal. Fees collected through the NMLS ARE NOT REFUNDABLE.
