GENERAL INFORMATION

Transition to NMLS

Companies holding the Nevada Financial Institutions Division Installment Loan Company License are required to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons by September 30, 2022. The Installment Loan Company License will be available in NMLS to submit the transition request starting July 1, 2022. The transition to NMLS for this license is required.

Additionally, for each additional licensed location holding an Installment Loan Company License, a company must complete and submit a Branch Form (MU3) through NMLS.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in Nevada, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Branch Form (MU3), so they are not charged a new application fee. If licensed prior to June 15, 2022, you will use your license number as your transition number (e.g. IL99999). If you are licensed after that date, your transition number will be provided to you upon approval.

Please note that the transition process is not a renewal, examination, investigation, or compliance review. The transition process is only a change to the system a license is viewed on. Approval of the transition does not mean that the company complies with Nevada law.

The transition to NMLS is required pursuant to Nevada Revised Statutes chapter 675.
Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form) must complete these actions within NMLS from July 1, 2022 onward. Paper forms will not be accepted after July 1, 2022. Some pending changes may be completed through the transition process, so refer to the Installment Loan Company Amendment Checklist for details on what documentation may be required.

**Activities Authorized Under This License**

This license authorizes the following activities...

- Commercial Financing (Lending/Brokering)
- Consumer Loan Brokering
- Consumer Loan Lending
- Non-Mortgage Loan Modifications
- Non-Private Student Loan Lending
- Private Student Loan Lending

**Document Uploads Guidance**

Documents that must be uploaded to the *Document Uploads* section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in *Document Upload Descriptions and Examples*.
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.

| **Submission of Branch Form (MU3):** Complete and submit the Branch Form (MU3) in NMLS. This form serves as the transition request for the license/registration through NMLS. See the [Transitioning an Existing License Quick Guide](#) for instructions on how to submit the transition request.  

When selecting your license in the Branch Form (MU3), you will be asked to enter your existing license number. Be sure to enter your current license number. If your license was approved after June 15, 2022, you will be notified of your transition number at the time of approval.  

All current licensees/registrants must transition their license onto NMLS on or before September 30, 2022. | NMLS |

| **Other Trade Name:** If operating under a name that is different from the licensee’s legal name, that name (“Trade Name”, “Assumed Name” or “DBA”) must be listed under the Other Trade Names section of the Branch Form (MU3). Nevada does not limit the number of other trade names.  

If operating under an “Other Trade Name”, upload the fictitious firm name filing for each Nevada county in which the company conducts business. At least one county filing must be submitted. If the company is doing business in multiple counties, you should contact those counties to ensure the company meets the requirements for filing in that county.  

This document should be named *Nevada Trade Name – Fictitious Firm Name filings* | NMLS  

Upload in NMLS: under the Document Type Trade Name/Assumed Name Registration Certificates in the Document Uploads section of the Branch Form (MU3). |
