GENERAL INFORMATION

Transition to NMLS

Companies holding the Nevada Financial Institutions Division Money Transmitter License are required to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons by April 1, 2022. The Money Transmitter License will be available in NMLS to submit the transition request starting January 1, 2022. The transition to NMLS for this license is required.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in Nevada, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. Your transition number is your current Nevada Financial Institutions Division license number (e.g. MT99999).

Any licensee with pending amendments that were submitted prior to January 1, 2022, must obtain approval of the amendment prior to submitting a transition request. Paper forms will not be accepted after January 1, 2022.

Transition to NMLS is required pursuant to Senate Bill 453.

Activities Authorized Under This License

This license authorizes the following activities...

- Bill paying
- Electronic money transmitting
- Issuing and/or selling drafts
- Issuing money orders
- Issuing prepaid access/token/stored value
- Selling money orders
- Virtual currency exchanging and trading services
Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company transition.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
