GENERAL INFORMATION

Who is required to have this license?
The license requirements for Licensed Lenders are found primarily in Article 9 of the New York Banking Law (BL) and the regulations thereunder. BL Section 340 provides:

No person or other entity shall engage in the business of making loans in the principal amount of twenty-five thousand dollars or less for any loan to an individual for personal, family, household, or investment purposes and in a principal amount of fifty thousand dollars or less for business and commercial loans, and charge, contract for, or receive a greater rate of interest than the lender would be permitted by law to charge if he were not a licensee hereunder except as authorized by this article and without first obtaining a license from the superintendent.

In addition to the items listed in this checklist below, the New York State Department of Financial Services (NY-DFS) may require, as it deems necessary, the submission of any other information or documentation.

Activities Authorized Under This License
This license authorizes the following activities...
- Consumer loan lending
- Other-Consumer Finance
- Premium finance company activities
- Sales finance company activities - motor vehicles
- Sales finance company activities - general

Pre-Requisites for License Applications
- This license should only be applied for by a company that also holds or is applying for a NY Licensed Lender Company License. See the NY Licensed Lender Company License New Application Checklist for more information.

NY-DFS does issue paper licenses for this license type.
Document Uploads
Documents that must be uploaded to the Document Uploads section of the Branch Form (MU3) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the branch application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same branch documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Designation of Branch Qualified Employee), be sure to indicate the applicable state.
