## GENERAL INFORMATION

### Instruction

1. File the surrender request through NMLS.
2. There is no fee to surrender.
3. A company may voluntarily surrender an active certificate of registration as long as the company is not under investigation by the Division, or the Division has not issued a notice of opportunity for a hearing. An investigation includes the review of any complaint made against or involving the company. Once a surrendered certificate of registration has been accepted by the Division, the registration will be cancelled. A “surrender” will not affect the company’s civil or criminal liability for acts committed before the surrender, and does not impair or affect the obligation of a preexisting lawful contract between the company and any person.
4. Once the Division has accepted the voluntary surrender, the company is still required to maintain books and records for two (2) years after the date of the final entry on the account, closing date if not serviced by the company, or date of withdraw or turndown if loan didn't close, as required by ORC 1321.55.
