GENERAL INFORMATION

Who Is Required to Have This License?

No residential PACE administrator may operate in this state without first obtaining a license from the commissioner.

Refer to Minnesota Statutes §§ 216C.435 – 216C.437.

Activities Authorized Under This License

This license authorizes the following activities as defined by NMLS on [Business Activities Definitions](#) chart:

- Marketing, offering, selling, facilitating, or financing, in whole or in part, a residential PACE loan;
- Facilitating, arranging or contracting for the installation of the cost-effective energy improvements financed through a residential PACE loan; or
- Offering any other service to an implementing entity in connection with the offering or provision of a residential PACE loan or operating a residential PACE program.

Pre-Requisites for License Applications

- None

Minnesota will issue paper licenses for this license type. In addition, licenses can be verified through NMLS Consumer Access.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.

- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
