Instructions:

When making changes to your record in NMLS the RI Division of Banking (“Division”) requires advance notification for some changes, see checklist below for details.

Fees:

1. The Division does not require fees for any amendment entered on NMLS but there may be a NMLS process associated with some changes.

2. Advance Change Notification (“ACN”) is required for the following amendments:
   - Change of Address
   - Change of Name
   - Change of Ownership
   - Change of Control Person (Ex. Branch Manager….)

Note: Please submit the ACN on NMLS at least 90 days prior to the effective date of the actual event. The NMLS setting for ACN’s for the Division is set at 90 days but if the change will occur earlier than 90 days and the Division takes issue with the insufficient notification, the Division will post a deficiency on your filing asking for further information as to the reason for the insufficient notification if the Division deems it necessary.

How to submit Agency specific documents

1. If you are required to upload document(s) on NMLS for an ACN:
   a. In the NMLS document upload section; you must select ACN type.
   b. Documents required to be uploaded through ACN section are considered proposed documents. Therefore, you will be required to upload final documents in the NMLS document upload section under the appropriate document type on the effective date. If there isn’t a document type available for a specific ACN event you must mail document(s) directly to the Division.

2. If you are required to upload documents for an amendment that doesn’t require ACN:
   a. In the NMLS document upload section, select the applicable document type.

3. If you are required to provide document(s) outside of NMLS the Division will notify you by posting a deficiency or requirement on your NMLS filing. If you are requested to mail in any documentation or you wish to send correspondence to the Division please use the following address:
