GENERAL INFORMATION

Transition to NMLS
Companies holding the Office of the Commissioner of Financial Institutions Retail Installment Sales and Finance Company License are required to submit a license transition request through NMLS by filing a Company Form (MU1) and an Individual Form (MU2) for each of their control persons. The Retail Installment Sales and Finance Company License will be available in NMLS to submit the transition request starting August 1, 2019. The transition to NMLS for this license is optional.

Additionally, for each branch holding a Retail Installment Sales and Finance Company Branch License, a company must complete and submit a Branch Form (MU3) through NMLS.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate license in PR, and complete a few state-specific fields.

It is important that current licensees have the appropriate transition number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee. Your transition number is your actual license number, including in and all punctuation, capitalization and spaces.

PR encourages current licensees to update their information with PR at least two weeks before they intend to transition to NMLS, so there will be no pending changes to submit at the time of transition. Please see Puerto Rico Act No. 68 of June 5, 1973, as amended, known as “Retail Installment Sales and Financing Companies Act”, and Regulation 6070 (L.A.P.R. §731 et seq.).

Activities Authorized Under This License

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
