- [Requirements Completed in NMLS](#)
- [Requirements/Documents Uploaded in NMLS](#)
- [Requirements Submitted Outside of NMLS](#)

GENERAL INFORMATION

Texas Department of Banking participates in the Multistate Money Services Businesses Licensing Agreement Program (MMLA), which creates a more efficient money service business licensing process among state regulators. If your company is seeking money transmitter licensure in more than five (5) states, participation in the MMLA may be right for you. See the [Multistate MSB Licensing Agreement Program page](#) of the NMLS Resource Center for more information.

Who Is Required to Have This License?

Texas Finance Code (Code), [Chapter 151](#) (Chapter 151), generally requires a person or business to have a license to engage in the money services business in Texas. There are two types of Money Services Business licenses and separate applications for each type. A person or business that engages in the money transmission business must have a money transmission license. Money transmission includes 1) issuing or selling prepaid access cards and instruments such as checks, money orders and traveler's checks; 2) receiving money for transmission; 3) providing third-party bill paying services; 4) transporting currency; 5) accelerated payment programs; or 6) currency exchange.

Certain requirements for a money transmission license are different from the requirements for a currency exchange license. Please read Chapter 151 to determine if you are engaged in a business that requires a license and what kind of license you need. Refer particularly to §151.002 (definitions), §151.003 (exclusions), §151.301 (definitions related specifically to money transmission), and §151.302 (money transmission license required). Licenses do not expire.

The filing of an application for a Money Services Business (Application) for a new license or requesting an application or otherwise corresponding with the Texas Department of Banking about the need for a license or about your application, does not authorize you to engage in business activities that require a license under Chapter 151. If you are operating without the required license, you are violating Chapter 151 and you are subject to enforcement action and penalties.

Summary of Application Requirements

To apply for a Money Services Business license, you must file a License Request in NMLS. In addition, you must mail the documents under the requirements submitted outside of NMLS section of this checklist directly to the Department to the address provided in the confidential section below. The Application consists of the forms, schedules, exhibits and attachments that are explained in this checklist.

The Application must be fully completed, and all of the required information must be provided. You must respond to each question, even if the answer is “None” or Not Applicable”. Be sure to:

1. Provide complete addresses, including zip codes.
2. Sign each form where required.
3. Have signatures notarized as required.
4. Cross-check the information BEFORE you submit the Application to insure accuracy and consistency in the information provided.

Per 7 TAC §33.13 the department may refuse to process and may return to you an application submitted without all the items identified below. If you submit your application fee but fail to include one or more of the other items identified below, the department will return the application and refund the fee or, if you submit the missing items within 10 days of the department receiving your application, apply the fee to your application. If the missing items are not received within 10 days of the department receiving your application, the department will return the application and refund the fee.

- The application fee.
- The applicant’s Signature Page, sworn to before a notary.
- The security, as explained in the Security section of this checklist.
- Financial statements, as explained in the Financial Statements section of this checklist. The financial statements must demonstrate that the minimum net worth requirement is met at the time of application. See the [Net worth section](#) below for more information.
- If applicable, a search firm background investigation report, as explained in Search Firm Report section of this checklist.

Completed application requirements that must be submitted outside of NMLS, should be mailed to:

*For U.S. Postal Service & Overnight Delivery:
Texas Department of Banking
Corporate Activities Division
2601 North Lamar Blvd.
Austin, TX 78705-4294*

In accordance with the USA PATRIOT Act of 2001 and the Department of Treasury’s Title 31 CFR Chapter X, pertaining to anti-money laundering programs for the Money Services Businesses, each applicant must be aware of the requirements of the law and its implementation deadlines. Money services businesses currently established must be in compliance with these requirements, including a current registration with Financial Crimes Enforcement Network (FinCEN), a division of the U.S. Department of Treasury, www.fincen.gov as a money services business.

Activities Authorized Under This License

This license authorizes the following activities...

- Issuing or selling prepaid access cards and instruments such as checks, money orders and traveler’s checks
- Receiving money for transmission
- Providing third-party bill paying services

- Transporting currency
- Accelerated payment programs
- Currency exchange

TX-DOB does issue paper licenses for this license type.

Document Uploads Guidance

Documents that must be uploaded to the *Document Uploads* section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in [Document Upload Descriptions and Examples](#).
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
