GENERAL INFORMATION

Who Is Required To Have This License?
Any entity or sole proprietorship that employs or will employ state licensed mortgage loan originators and that is exempt from licensing under Chapter 16, Title 6.2 of the Code of Virginia may voluntarily register with the Virginia Bureau of Financial Institutions. This registration is OPTIONAL.

Exempt mortgage lender and broker registrants agree to abide by NMLS requirements, including attesting to the accuracy of the information submitted, agreeing to keep it updated through NMLS, and annually renewing the registration through the NMLS Streamlined Renewal Process.

Pre-Requisites for License Applications

- Must be exempt from mortgage lender and/or broker licensing requirements by statute
- Must agree to abide by all NMLS policies and use agreements
- Surety bond to cover the registrant’s Virginia-licensed mortgage loan originators

The Virginia Bureau of Financial Institutions does not issue any paper licenses for this registration.

Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
• For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
