Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Descriptions and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific or the document has already been uploaded for another state, a new upload is not required unless changes have been made.
