GENERAL INFORMATION

Transition to NMLS
Companies holding the WI Payday Lender License for the main office location (headquarters) are able to submit a License transition request through NMLS by filing a Company Form (MU1) for the main office location and an Individual Form (MU2) for each of their control persons. The WI Payday Lender License will be available in NMLS to submit the transition request starting September 1st, 2015. The transition to NMLS for this license is optional.

If the main office location does not hold a WI Payday Lender License, instead submit a WI Payday Lender Registration Transition (Company).

Additionally, each location holding a WI Payday Lender License is considered a “Branch” license and the company must complete and submit a Branch Form (MU3) through NMLS for each location.

Note: If you already have a record in NMLS and have submitted these forms in the past, you do not need to re-enter your company information into NMLS. You will only need to identify the business activities your company conducts and the states in which the various activities are conducted. Then, you will select the appropriate registration in Wisconsin-DFI, and complete a few state-specific fields.

It is important that current licensees have their WI license number available when completing and submitting their Company Form (MU1), so they are not charged a new application fee.

Any licensee that needs to amend or surrender a license (or execute any other action previously completed in paper form), should complete these actions within NMLS from September 1st, 2015 onward. WI encourages you to update your information with their office by September 1, 2015, so there will be no pending changes to submit at the time of transition.
Document Uploads Guidance

Documents that must be uploaded to the Document Uploads section of the Company Form (MU1) in NMLS are indicated in the checklist below. When uploading documents:

- Follow the guidance in Document Upload Description and Examples.
- Only upload documents relevant to the company application.
- Only upload documents where there is a selectable document category. If inappropriate documents are uploaded that should not be, you will be contacted by your regulator and asked to remove them from NMLS.
- Do not upload the same company documents multiple times. Generally, unless the document is state-specific, if the document has already been uploaded for another state, a new upload is not required unless changes have been made.
- If a document previously uploaded has been revised, delete the old document and replace it with the new document (history of the old document will remain in NMLS).
- For state-specific documents (e.g., Surety Bonds), be sure to indicate the applicable state.
