Company Amendments
Agency Requirements

WEST VIRGINIA MONEY TRANSMITTER LICENSE

Instructions

Although the West Virginia Division of Financial Institutions does not require advance notice for amendments, it is recommended that any amendments involving change of ownership and/or change of principals be submitted well in advance of the consummation date so that a timely notification of additional requirements may be made, if necessary.

Otherwise, please make the changes in NMLS as of the effective date and submit supporting documentation as instructed in the checklist below.

Fees

1. The West Virginia Division of Financial Institutions collects amendment fees for the following changes through NMLS during filing:
   - Change of Address $100 per license
   - FBI Criminal Background Check Authorization Fee: $36.25 per control person.

2. Send detailed documentation relating to any change in control to the Division of Financial Institutions and a determination will be made as to whether the change in ownership is significant enough to require an amended application to be submitted outside the system. If an amended application is required outside the system, a determination as to the fee will be provided at that time.

3. All fees collected through NMLS ARE NOT REFUNDABLE.

*A criminal background investigation is required of all individuals identified as principals of the applicant. However, if the applicant is (1) a wholly owned subsidiary, direct or indirect, of a company supervised and regulated by the Securities and Exchange Commission whose stock is publicly traded on a registered exchange within the United States or (2) a wholly owned subsidiary, direct or indirect, of an entity subject to supervision and regulation by a federal banking regulator, the credit check and background investigation are not required.

Principal - means the chief executive officer, regardless of title, managing partner if a partnership, members of the organizing group if no chief executive officer has yet been appointed or other person controlling the day to day operation of the applicant. A person controlling ten percent or more of the stock of any corporate applicant shall be considered to be a principal under this provision.
