

NMLS Policy Guidebook Changes – September 3, 2020

Pages 61-62 and 96:

- Criminal Background Checks Section:
 - Edits were made to explain that fingerprints in NMLS must be no older than three years, otherwise an individual will need to be reprinted.
 - Edits were made to explain that new fingerprints must be submitted within the 180-day background check window.
 - New language was added to explain that international applicants will receive fingerprint packages in a traceable manner to their current physical or mailing international address or their employer's address and that the applicant is responsible for providing a mailing label to facilitate the transmission of the packet.
