Company Contact Employees

Overview/Policy

Individual(s) listed as the primary company contact employees must be authorized to receive ALL compliance and licensing information, communications, and mailings regarding the entity, officers, directors, and individuals. They must also be responsible for disseminating it within the applicant or licensee’s organization. The Contact Employee is for regulator use. Applicants and licensees are required to submit a primary company contact as well as a primary consumer complaint contact. If allowed by a state, this can be the same person. Applicants and licensees also have the ability to submit additional, non-primary, contacts. For non-primary contacts, you must also list the applicable industry type(s), area(s) of responsibility, and state(s). The Contact Employee may or may not be the “Resident/Registered Agent” for service of process, as is required in certain states.
